

## INTERNET BUSINESS WEEK (19 – 24 JUNE)

### Have You Attended An Internet Business Seminar?

- Only to find yourself overwhelmed with information
- Unable to cope with the “**Big Money**” strategies
- Felt the money you invested in the seminar was a waste

You are not alone! There are many Internet Business Seminars out there being organised with much hype, sales and gimmicks!

**Don't be the next victim!**

### What's In It For You?

Myths I Aim To Destroy Through This Event

1. Internet Business is High Investment
  - a. My fee includes the cost to setup your Internet Business
2. Internet Business is High Maintenance
  - a. I will expose all the FREE resources I use, plus give you email support

### Who Am I To Guide You?

My name is Nur Shaheed and I will share with you my success strategies. I have

achieved Diploma in I.T (Temasek Polytechnic), Degree in Bachelor of Science in Computing (Portsmouth University), Microsoft Certified Solutions Developer  
Started business from home in 2005 with “**Zero Dollars**”, and incorporated company in 2006

Nominated finalist Young Entrepreneur of the Year 2006

Featured in Berita Harian and Yayasan Mendaki's 25<sup>th</sup> Anniversary in 2007

Columnist in Berita Harian on “Internet Business Tips” in 2008
